EXPERIENCE

Internal Communications Specialist

June 2024 - Present

Maola Local Dairies

- Create strategic communications reaching 1,000+ employees across four states, aligning a largely deskless workforce with organizational goals.
- Advise senior leadership and HR on communication strategy, shaping key initiatives and broadening reach to frontline employees.
- Produce design, writing, and photography that reflects company values across every internal channel.
- Measure communication impact and translate the findings into refinements that improve engagement.

Communications Specialist

August 2020 - June 2024

Basilica of the National Shrine of the Immaculate Conception

- Managed all publications for the largest Catholic church in North America, including books, signage, and promotional materials.
- Produced weekly livestreams for audiences of 20,000+, serving as floor manager to ensure seamless execution.
- Represented the Basilica as media spokesperson, fielding press inquiries and cultivating positive coverage.
- Advised the Rector, Associate Rectors, and Board of Trustees on strategic communications as a member of the Rector's Executive Staff.
- Supported the Development Department's fundraising strategy and strengthened partnerships with DC's tourism community to increase visibility.
- Directed social media and website strategy, coordinating contractors to keep output aligned with organizational goals.

Media Manager

December 2018 - August 2020

Catholic Apostolate Center

Previous Roles include Administrative Intern, Program Associate, and Production Coordinator

- Directed daily media operations and managed a multimedia studio for an international nonprofit.
- Led production of a bi-monthly podcast series and numerous video projects, coordinating cross-functional teams.
- Built and executed a social media strategy across platforms totaling 300,000+ followers, driving sustained engagement.
- Supervised editing and design of major publications, maintaining consistent quality and brand alignment.
- Organized multiple catechetical webinar series, managing schedules, content, and participant engagement.
